School Colors: Navy Blue and Old Gold

Mascot: Monarch

Meadowbrook Alma Mater:

Standing there proud before us,  
with your glory all around,  
the navy and old gold sent forth,  
shall fill us with a love abound.

Oh Meadowbrook, we long to praise  
your truth and glory in all its ways.  
Proudly do we hail your name.

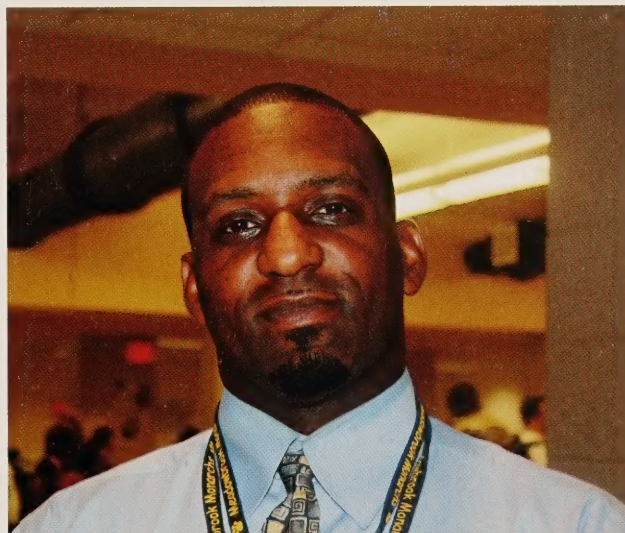

May it linger in life's Hall of Fame.

# 395 minutes, 5 days a week

When the bell rings at 7:25am, and approximately 1,900 students are starting their school day at Meadowbrook High School. Although we spend 15 minutes more in school than every other Chesterfield County high school, we are using the time to perfect our knowledge. Throughout the day, we read, we perform science experiments, we workout, we eat, we relax, and we form lifelong bonds with our fellow Monarchs.

During the average school day, Monarchs spend 6 hours and 35 minutes in school. Throughout the school year, we spend 9 months and 10 days in school, minus holidays and weekends, of course!

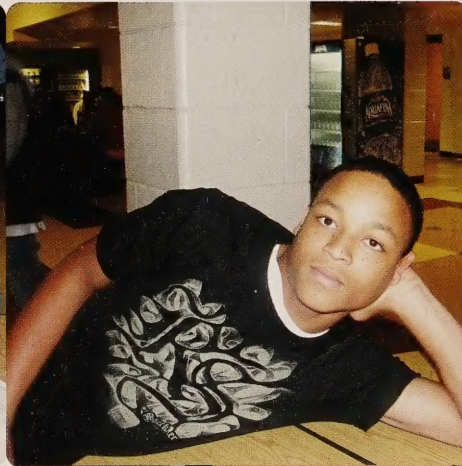

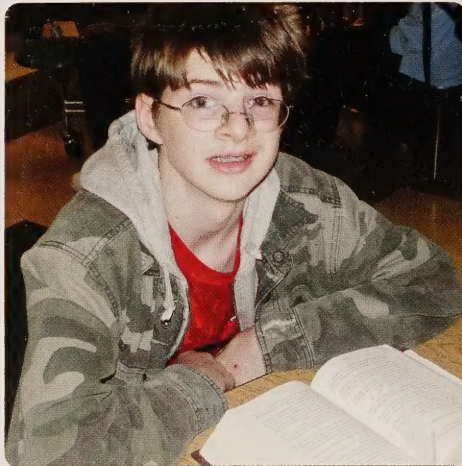

What's the most exciting thing about high school??

"Being able to go to the snack machine."  
John Hill

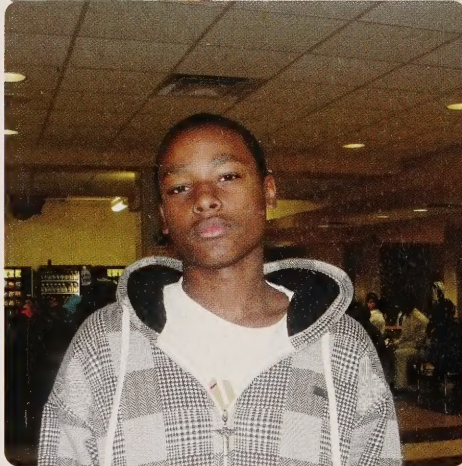

What do you like about Meadowbrook?

"I like being in the choir."  
Thomas Anderson

The most exciting thing about high school?

"Looking at the pretty girls."  
Davon Reaux

What are you doing to prepare for being a senior?

"Getting my grades higher and raising my gpa."  
Amber Hawks

## Back To Hitting The Books!!

Students came back to school with a positive attitude and ready to strive for success. They enjoyed their summer, while realizing it's time to get focused.

"High school teaches you better things that prepare you for college". It makes you more mature.

"My favorite teacher and subject is Mrs. Geiser, science.

Rashell Franklin

What's exciting about coming to high school?  
"I get to be on the basketball team."

QUESTIONS  
ASKED?

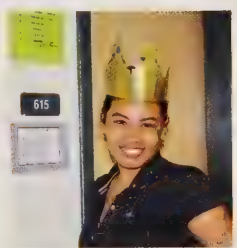

- ① What's different between middle and High school?
- ② What did you have to do to get prepared for school?
- ③ What's the best part of coming to school as a senior?

Glendon Cox  
"Get to have more freedom."

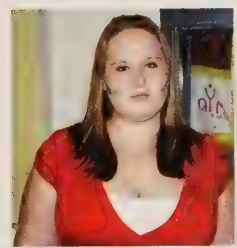

Tony Pearson  
"The feeling of knowing you're about to get out this year. Also, being able to go school shopping at Southpark Mall."

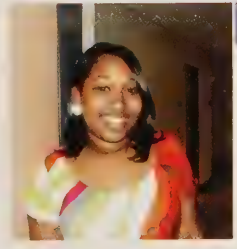

Fatima Sarmento  
"To see your friends and teachers, and remember the old times."

Te-Ana Goode  
"Going back to school shopping at chesterfield mall."

Megan Romonoski  
"Got honor roll, work hard, and study a lot."

Chanel Fisher  
"The fact that it's the last year."

# HOMECOMING PEP RALLY

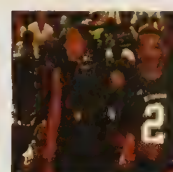

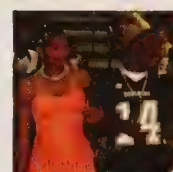

Every year at MBK, we have our annual pep rally Friday during last period on Homecoming Week. The pep rally is used to allow students to show our school's real spirit and to get the football players ready for the game that night. To help make the pep rally fun, there are multiple performances by the Junior Varsity & Varsity cheerleaders, the dance team, and the step team. MBK's student body looks forward to the pep rally, after a week of "dress up."

# Different Individuals Valuing Each Other

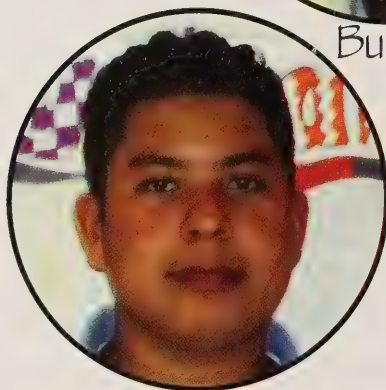

Our school is full of different cultures, countries, race, religions, and backgrounds. We see the diversity when we walk through the front doors, as there are 68 flags to welcome us. The flags represent the different countries and cultures of people who attended Meadowbrook. We have countries from all over the world such as Jamaica, China, Africa, Indian and many more. That's exactly why we are known as one of the most diverse high schools.

## a world-wide opportunity

The International Baccalaureate program is a rigorous program offered to high school students throughout the world, including right here at Meadowbrook. The program begins with Pre-IB classes in the 9th and 10th grades, then moving up to regular IB courses in the 11th and 12th grades. At the end of their senior year IB students take rigorous exams that are scored by IB officials in another country. IB seniors can earn the prestigious IB diploma or certificates in the subjects in which they passed the exam.

# College without the price tag: AP Courses

*Students take the opportunity to challenge themselves and earn college credit.*

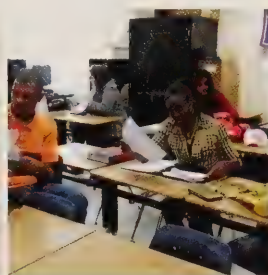

Advanced Placement (AP) courses are individual college-level courses that are open to students in grades 10-12. At the end of each course, students take the AP exam for their class. On a scale of 0-5, students who earn a 3 or higher can earn college credit. This year, Meadowbrook offered AP classes in Calculus, English Language and Composition, English Literature and Composition, French, United States Government, Spanish, United States History, and World History.

### After School

As well as being in the ESL program at Meadowbrook, both of these boys enjoy playing soccer.

What is the ESL program? Many students at Meadowbrook know it's for foreign students, but fail to understand why. This program is used for students that come from different countries and do not know the English language. To Americans it may sound silly, but where other teenagers are from English is difficult to learn. The students in the ESL program love to learn as well as interact in the school. They are teenagers just like the rest of the student body, but not knowing English is hard when everyone around them speaks it. This program is not just for school, it helps these students in the surroundings outside of Meadowbrook.

## Helping Those In Need

<< Andy Lent smiling like always for a picture. It is his first year attending Meadowbrook, and you can always find him cheering on the Monarchs at the football games. He likes MBK because he gets to eat lunch everyday with his brother Brandon Cooper.

The mentoring program does many activities to make the program fun. They go on many field trips and have lots of guest speakers such as a Holocaust survivor. The mentoring program may be new this year, but they seem to be having the most fun. Without Mr. Dunn arranging all their activities, it would not be nearly as exciting.

The Mentoring program at MBK is new this year. Seniors are chosen to mentor and guide the MOID students, with more needs than that of a regular student here at MBK. These students get to take trips and also have their own basketball league.

# ACTIVE!

Club activities are to help students get involved with each other and their school. Each club plays a major role at Meadowbrook High. DECA is involved in debate competition with other competing high schools. They also host a fashion show and take a trip to the fair each year. WEB Du Bois Honor Society has mentors from

Dupont. They visit colleges and arrange many on-sites at Meadowbrook. FBLA has several conferences to discuss topics and engage in activities with other schools. FCCLA hosts fundraisers, such as boo grams and selling candy, to raise money for their club activities.

FBLA stands for Future Business Leaders of America. They participate in different regional conferences. Their main objective is to promote business leadership.

To help support the club they organize a variety of fundraisers such as selling candy.

# LET'S GET

FCCLA stands for Family, Career, Community, Leaders of America. They are involved in many community service projects. If there is a need in the community, FCCLA makes it a project to complete. They participate in Prom Promises, visit the nursing home, and feed the hungry.

Sisters and Brothers of Nia is a nonprofit organization with the mission to cultivate the growth and development of teens by teaching and promoting self-respect and positive self-esteem; providing mentoring and counseling services; teaching life skills that include the use of poetry and journaling as coping tools; aiding in preparation for college, career and financial independence; providing positive role models; supporting and creating avenues for community service and providing a safe environment where young people can give and receive support, inspiration and motivation from their peers.

## Y.A.D.A.P.P.

The Youth Against Drug & Alcohol Prevent Project is also known as YADAPP! This group thinks of ways to promote a substance-free environment. They develop strategies to improve communities around Virginia. After the school year, there is a summer program that follows the objectives of the club. They meet to think of ways to prevent drug and alcohol use.

# GETTING INVOLVED

## In & Outside School

Whether you join the cheerleading squad or pass out Boo-grams, being involved allows our students to have enjoyable and memorable experiences as an MBK student and parent. As students graduate, they may not remember the hardest test they took, but they will remember the club activities and sporting events they attended or took part in.

# Our Pride Can't Be Contained

Whether it is a field trip to Washington, D.C. or mentoring at Hopkins Elementary School, MBK Monarchs are out in the community showing off our Monarch Pride! Our students have visited the Virginia State Fair, The National Great Blacks in Wax Museum, and many more places.

Our pride runs so deep, we even CHOSE to return to the building after hours. We help set up, we help beautify our grounds, we help cheer on our team.

Although we may leave the building, we will never leave behind the Monarch spirit that surges through each of us.

It is crystal clear, that we will always carry the nobility of the MBK MONARCH.

# Girls in Dirt Boys in Skirts

## Seniors vs. Underclassmen

Every year during Homecoming week, there is the annual powderpuff game. In this activity, the roles switch up while boys become the cheerleaders and the girls become the football players. Though this is just flag football, the girls play rough like it is tackle football. As the girls are on the field, the cheerleaders are on the sidelines cheering on there team. The boy cheerleaders have no

problem in getting into character. For the past couple of years, it has been a struggle for the senior class to win. This year the same thing occurred with the underclassmen taking home the victory. Next year we shall see who wins the big game!

Star player *Angela Harris* makes an amazing touch down for the underclassmen team.

Senior *Brittani White* is a big help to the senior team with her speed.

# A Night 2 Remember

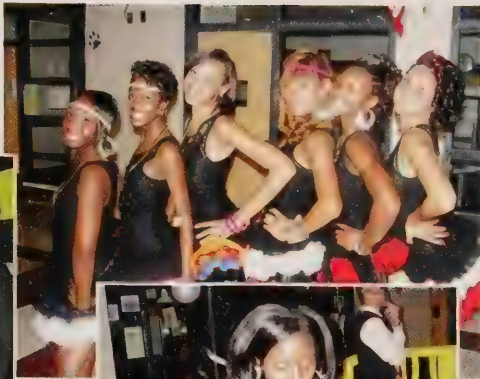

On October 9, 2009, Meadowbrook defeated the Dinwiddie Generals at our Homecoming! even with all the distractions from spirit week, MBK still managed to beat the Generals. Aside from the score, the Homecoming game was exciting. Genesis Avila and Corey Foxworth took home the 2009 Homecoming King and Queen title. Monarch fans, old and new, arrived at the game to show how wonderful our MBK family really is!

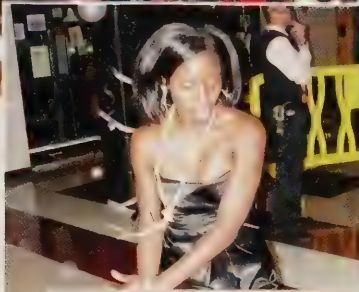

The football team always has very excited fans that come out and see them play every Friday. These fans really showed their spirit at the Homecoming Game.

Every Saturday night following the homesoming football game, there is a formal dance that most of Meadowbrook attends. It is a fun time to dress up and celebrate our victory from the night before. This year's theme for the homesoming dance was New York: A Night In Times Square. The cafeteria was transformed from a location to eat lunch, to a beautiful night on the streets of New York City. It was the closest thing most of Meadowbrook students will ever get to the Big Apple. Seeing all of Meadowbrook student body get dressed up and looking nice is a sight to see. October 10, 2009 was truly a night to remember!

# Decisions, Decisions...

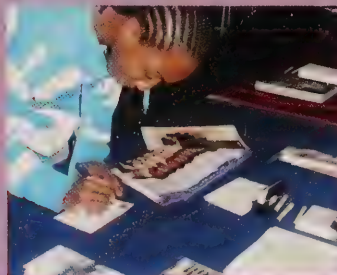

*What students have to look forward to*

There are numerous colleges and universities throughout The United States. They offer a variety of different majors, from sports management to forensic science. During the school year, many colleges come to Meadowbrook to give interested students information on their school and why it could be their best choice. These college visits will help some students narrow their choices after receiving valuable information.

Some popular universities MBK students choose are: Norfolk State, Virginia State, Old Dominion, William & Mary, Virginia Tech, Christopher Newport, University of VA, James Madison, and George Madison.

*Students receiving information from various universities and post graduation educational opportunities.*

# HANDS ON EXPERIENCE

The Chesterfield Technical Center allows students from all over Chesterfield to learn about their desired career. They offer a variety of classes. Most courses give participants hands-on experience. Students get the opportunity to work in hair salons, hospitals, and laboratories to earn valuable knowledge.

# Each one, Reach one

*What is Community Service, and how does it relate to teenagers?*

**W**hen someone performs an action that benefits his or her community, it is known as community service. Some people associate community service with punishment. Although, this may sometimes be the case for teenagers, this is also a vital way to be active in your community. Numerous teenagers help by doing part in their community in many different ways.

For example, reading to patients at a children's hospital or mowing the lawn of the church you attend. One benefit of being active in community service is it also looks outstanding on college and job applications. It indicates that these volunteers find joy in connecting with other people. By giving back you are not only helping yourself, but in the long run, helping your community.

11th Grader, Walker Binkhead, giving blood when MBK had its first blood drive of the year.

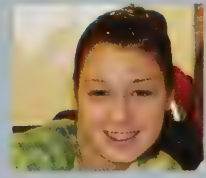

**Melvin Canton**

"Yes, and I'm glad to help the people that need it."

**Abby Meadows**

"No I didn't. I've donated once, but plan on donating again at the next school blood drive."

**Kirstie White**

"No, I have never donated before, but I plan to in the future."

Dear Parent,

Your child has been invited on a field trip. They need your permission to attend. They will only need to bring an open heart and an open mind. This experience will be etched in their memory forever. As they depart the building, think of it not as a "free" day, but that singular day when what they read and what they see will finally merge into one image.

Sincerely,  
Your child's educator

# Out and

**MBK Monarchs** are taking advantage of educational field trips offered through clubs and classes. While out of the building, students enjoy the free time and fun activities. However, once they return, students often have the opportunity to relate their "real-world" experience with the "book knowledge" they have mastered.

Annual Fashion Show

March 26, 2010

Every year, DECA hosts its annual spring fashion show. Members of the show have to audition and if they make the cut, then the real work begins. They practiced twice a week, every week, until the final show. Not to mention that the ladies had to practice their walk in heels! The officers of DECA thought long and carefully about which scenes they wanted and how they envisioned them. With hard work and determination, the fashion show was a great success this year!

**Fun Fact** Alexis Shabazz and Lasuhn Turner did a wonderful job hosting the fashion extravaganza.

**Fun Fact**  
There were two performances during the intermission by local groups: 2Deep and Horseplay.

**Fun Fact**

There was a special tribute scene dedicated to the legendary Micheal Jackson.

**Fun Fact**

Without the help of the backstage crew making the props and having the outfits set out, the fashion show wouldn't have been a success.

It appears MBK staff and students have more in common than supporting MBK. We also believe in supporting our local tattoo artists. # We Bleed... Blue & Gold

Sports are complex in that they are a way to escape our lives as well as a way to look at our lives in a clearer way. In the world of sports the line of victory and defeat is quite clear. There is no question of what team you are on or what position you play within the team. These things are not always clear in real life. Escaping to the world of sports is an opportunity to think about these questions in our own lives.

## *Roaring Regiment Band and Color Guard*

The Roaring Regiment's season had great outcomes, from standing ovations to 1st place trophies. True dedication drove us to attend band camp. Band members woke up bright and early from 7:15 a.m.- 3:30 p.m. for two entire weeks, just to prepare for the upcoming season! This hard working band has dedicated the majority of their time supporting the Meadowbrook Monarch football team, but also competes in state competitions.

The Colorquard and Majorettes are made up of many different personalities, however, as a unit, bring voice, color, and great visual accompaniment to the band's performance. Learning field positions, routines, and flag work wasn't easy, but through dedication and practice, we got the job done!

The tunnel awaits, people stomping their feet, it's  
time for Victory. It's time for a fight.

You rush onto the field with nothing but Pride. You're  
about to leave it all. For tonight is Friday Night!

Our football team has worked harder than ever this year. Starting with two-a-day summer practices, once school started, the team stayed after school everyday to perfect their game. The players were more than just teammates, they were brothers. Making sure they always had each others' back, on and off of the field. Although the season began with a spotless record, we suffered a lost to Thomas Dale. Not to be discouraged, the team forged ahead with hard work and commitment.

# SENIORS

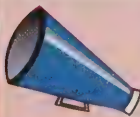

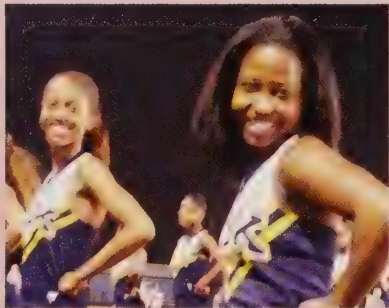

My boyfriend told me to  
choose between him &  
cheerleading...

*I sure will miss him!*

Many people underestimate cheerleading, most believe that it is not a sport. As a matter of fact, it is a sport and the girls do just as much work as any other sport. Their season is the longest at Meadowbrook; they start practicing in August and continue cheerleading non-stop until February. Cheerleaders attend every single football game to help lead on our team to victory. They practice every day of the week, excluding game days. Junior Varsity cheerleaders are extra busy, because at every home game they sell programs rather than hanging out with their friends. During winter sports, Junior Varsity cheers for the Girls Varsity Basketball team and Varsity cheerleaders cheer for the Boys Varsity Basketball team. These girls are very busy individuals. Aside from cheerleading for MBK teams, they participate in competition. They practice twice as long to make sure they place high in competitions. This year the District Competition was held at MBK and our Monarch cheering squad took home 7th place. Our cheerleaders may never get the credit they deserve, but the Monarch family will make sure they get the love they deserve!

# To run OR not to run? That is NOT a question.

During the winter sports' season, indoor track allows athletes to keep their skills sharp. Although inside, these athletes still compete in many 'traditional' track and field events. Some of these events are: 55 meter dash, 4X200 relay, shot put, long jump, and high jump.

# YOURS !

The varsity basketball team started the year off early with a fall league to prepare them for the winter season. They gave their all on the court, no matter the score.

This was not just a game to them, but a passion. With drive and determination, they played hard, and overall, had a good season.

A WONDERFUL GAME IS THE MOST PRECIOUS THING ON EARTH,  
YOU WIN A GAME, YOU LOSE A GAME, BUT THINGS WOULDN'T ALWAYS BE THE  
SAME. NO MATTER WHAT, THROUGH THE REBIRTH OF A PLAYER WHEN DOWN,  
CREATES A CROWD THAT WILL FOREVER BE PROUD.  
THOUGH THE BODY MAY BE WEAK, THE SCORE IS NOT WHAT MATTERS, IT'S THE  
FUN AND JOY THAT BRINGS US TOGETHER,

# Shut Up And Pitch!

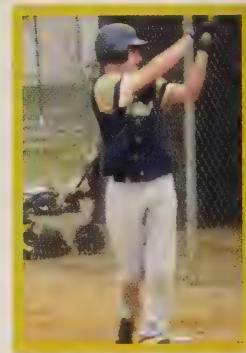

Teimon, Marco, Jonathon, and Anthony watch patiently from the dugout.

let the dirt brush against your dirty, old cleats  
as you stride down the lane not ready to accept yet  
another defeat  
the sweat beads trickle down your back as you step up  
to home base  
and don't forget to wear your famous sour, wry face  
turn to the pitcher with that arcane, meaningful stare

Relay team's in-sync handoff during a race.

Outdoor track is a very intense sport. They have practice every day to perfect their game. It doesn't matter if it raining, freezing, or blazing hot outside, they still run. Outdoor track combines speed, endurance, and dedication on a daily basis. It allows the track members and other athletes to stay in top shape.

The relay team talks strategy before the race.

SAME drive to do the best we can.**

Beatrice stands in an open stance waiting for her chance to serve and to get a point for the mighty Lady Monarchs.

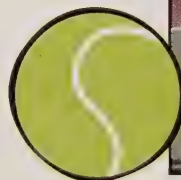

Jackie steps up to the service line and gets ready to serve.

Unleash on the court, with her racket in hand, more than ready to serve.

Our mighty Monarch Tennis teams have already rocked the court with multiple wins this season. They come to every game with a strong desire to win and do their absolute best. Even if things didn't go as planned, they always took it in stride. Here's to our awesome tennis teams!

Andrew aka Quash sets up for his over hand smash!

Lisa prepares to hit the ball back over the net in hopes of scoring a point.

Dev thinks about his next move, just like a good player would.

## GIRLS' VARSITY SOCCER

Let's Kick it

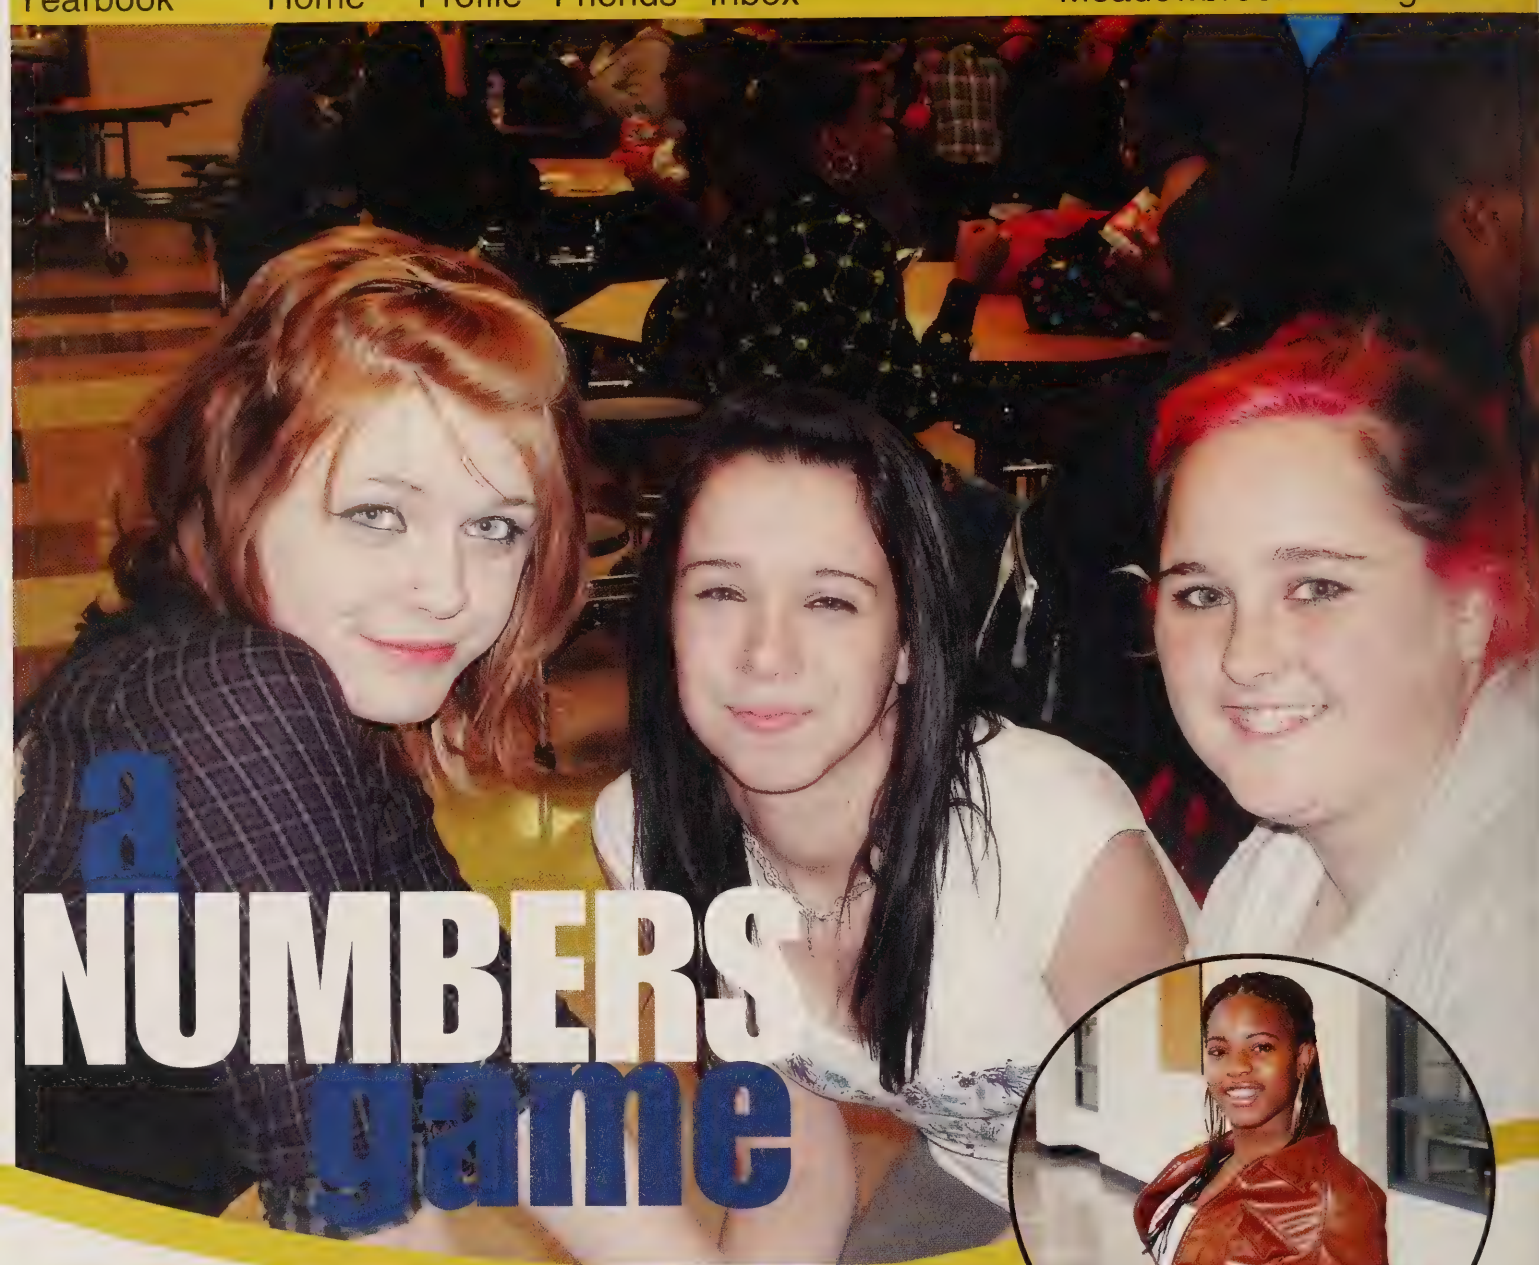

These girls played very hard against our biggest rival, LC Bird.

play strong, play smart, play hard!

"Good players practice 'til they get it right, but great players practice 'til they never get it wrong." That is how the Meadowbrook Soccer team operates. They strive for the best and put their all into each game. Victory is their only option, so there's no stopping them.

# 2 NUMBERS game

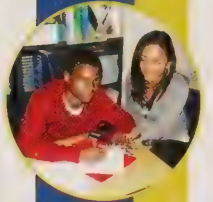

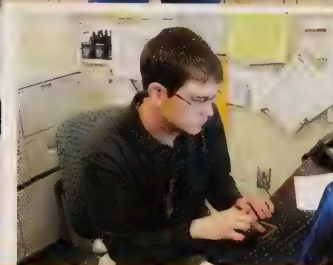

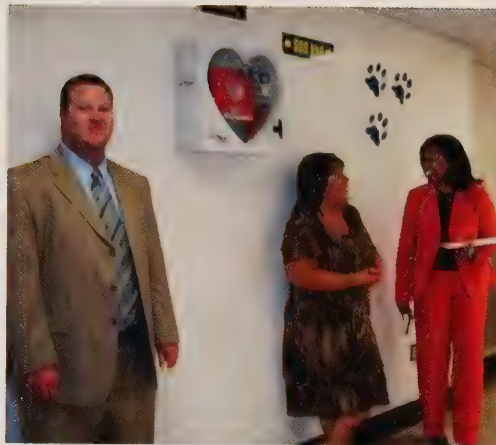

1,900 students served during 7 periods,  
seperated by 4 grades, all in **ONE** building.

MBK is the most diverse high school in the county. This is evident by the flags hanging in the front hallway.

While we are all unique and all look different, we have bonded together as one unit over our love for Meadowbrook.

## Your Potential

There is inside you all of the potential to be whatever you want to be, all of the energy to do whatever you want to do.

Imagine yourself as you would like to be, doing what you want to do and each day, take one step towards your dream.

And though at times it may seem too difficult to continue, hold on to your dream.

One morning you will awake to find that you are the person you dreamed of and doing what you wanted to do, simply because you had the courage to believe in your potential and to hold on to your dream.

## ANYWAY

People are unreasonable, illogical,  
and self-centered.

Love them anyway.

If you do good, people will accuse  
you of selfish ulterior motives.

Do good anyway.

If you find serenity and  
happiness, they may be jealous.

Be happy anyway.

The good you do today will be  
forgotten tomorrow.

Do good anyway.

Honesty and frankness make  
you vulnerable.

Be frank and honest anyway.  
People favor underdogs but will  
follow only top dogs.

Fight for some underdogs  
anyway.

People may need help, but may  
attack you if you help them.

Help people anyway.

What you spend your years  
building may be destroyed  
overnight.

Build away.

Give the world the best you have  
and it may never be enough.

Give the world the best you have  
anyway.

**JUST TRY..**you make yourself proud.

**JUST LOVE..**you make God proud.

Best wishes,

We can't wait to see where God takes you!

LOVE

Dad, Mom, Nicole, Gregory and Naomi Joy!

Granddaughter, Congratulations on your achievements. We love and treasure you. Signed...Your grandparents from da Bronx.

My super smart, ultra talented, and extraordinarily beautiful goddaughter, Naomi... I just can not believe you are graduating high school already when just yesterday I had you in one arm! I am extremely proud of the young woman you have become. Reach for the stars because you deserve to have them all! Love, your godmother Steph

Nena, WE DID IT!!!!!! Yeah, yeah, yeah, YOU did it and did it well! Girl, I'm so proud of you! How time flies! Just seems like the other day I was beggin you to stop pickin' your nose (only kiddin'). But seriously, you are going to college and fulfilling your destiny! Hey, I thought we were following the script- Aren't Naomi and Ruth inseparable? Well, we'll just have to do the next best thing. I'll pack up your brothers and you, Alex, and Jo can be roomies! Naomi, I love you so much! You're the greatest! Keep studyin' hard and bring sweetness to every experience. XOXOXXOXO Mom

Dear Naomi,

We're so proud of you and the young woman you have become. You are thoughtful, warm, and wonderful. You are a lady who stands out, one who can be counted on, one who will make a difference.

Tomorrow is a blank page just waiting to be filled with your dreams. All you have to do is be yourself and live the story of your own unique life. Be proud. Be confident. And most of all, be happy. With love, Abuela, Grandpa, Rosenny, Michael, and Roselyn

Omni,

I loved the little snout nose, stinky diaper, little sister you were. I love the funny, loving teenager you are today. I will love the joyful, true, God fearing, achiever you are becoming. I love you in ways only actions will continue to show. Always be the dreamer you are! Believe! Believe! Believe! Keep your eyes focused on your next conquest and on the captain of your ship, Our Lord Alpha and Omega. Love always, Bran.

## Porcia Wardlaw

Congratulations Porcia!

We are so proud of you  
and your success!

We love you and wish you the best of  
luck for your future.

We will miss you when you go off to

# Behind the Scenes

It takes the right people  
to tell a school's story.

## Note From The Editor: Chantal Creighton

I have had so much fun being a part of the yearbook staff for the last two years!! Through all the arguments, stress, and laughter it has become my favorite class. Our yearbook staff has worked long and hard on improving our yearbook this year and i personally think we have did a great job. Without Mrs. Gordon (the best teacher ever) and the other members, the yearbook would not be a great as it is. I will truly miss 5th period but with the memories we captured, I know they will stay in my heart forever. I am most certain that the yearbook is a success this year and I hope everyone enjoys it.
